

We are one of the foremost manufacturers, suppliers and exporters of a comprehensive range of industrial processing machines and equipment. The range is known for its robust high performance, energy efficiency and longer working life.

## - Profile -

Established in the year **1995**, '**M. V. Industries**' is one of the foremost organization that is engaged in manufacturing, supplying and exporting quality approved range of Industrial Processing Machines and Equipment. Technically advanced, our range encompasses Pulverizer, Flaker, Impact Pulverizer, Pin Mill, Ball Mill (Batch Type), Ribbon Blender, Vertical Continuous Blender and Reaction Blender. In addition, we specialize in offering a wide array of Rib Plough Mixer, Nauta Mixer, Continuous Mixer, Double Cone Mixer, Centrifugal Sieve, Vibro Screen, Rotary Sieve and many more equipment. All these products are manufactured using high grade raw material, which is sourced only from reliable vendors of the nation. Designed in accordance with set industry standards, these products are widely appreciated for their high production efficiency, low power consumption, robust construction, corrosion & abrasion resistance, least maintenance and durability.

Supported by a team of expert professionals, we have been able to successfully cater to the ever increasing demands of the clients in different industrial segment. We have also developed a sound manufacturing facility that aid our professionals in manufacturing the range in accordance with international standards.

## Size Reduction Equipment:

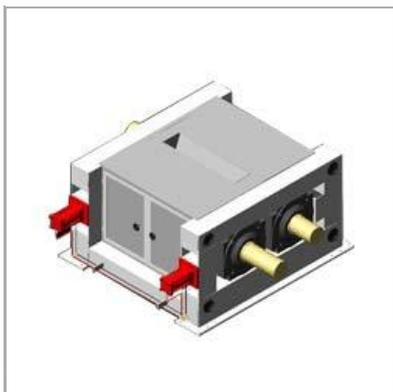

Our organization is counted amongst the renowned manufacturers, suppliers and exporters of a comprehensive array of **Size Reduction Equipment**. Designed and manufactured with utmost precision, these machines are the result of continuing research and development to meet the ever increasing demands and stringent specifications required in the processing and other industries.

**Ultrafine Pulverizer**

**Impact Pulverizer**

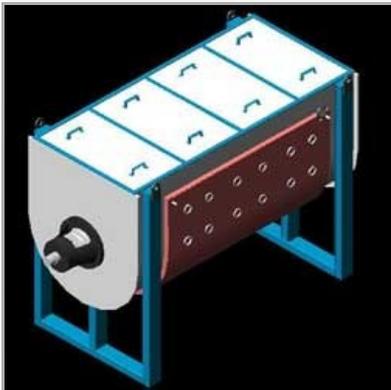

**Flaker**

**Pin Mill**

## Mixing Equipment:

Supported by a team of skilled and experienced professionals, we present a wide range of **Mixing Equipment** and Dry State Reaction Equipment. Under the strict supervision of our expert professionals, the complete range is manufactured using optimum quality raw material and advanced machines.

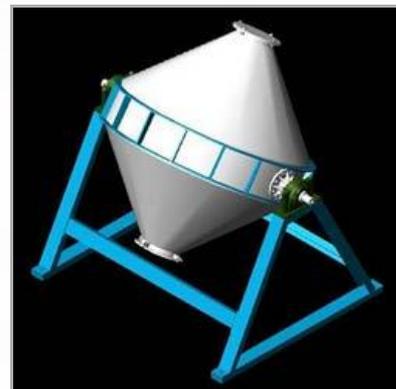

**Reaction Blender**

**Ribbon Blender**

**Nauta Mixer**

**Double Cone Mixer**

## Gradation Equipment:

Backed by a pool of dextrous professionals and sound manufacturing facility, we offer superior range of **Gradation Equipment**. Extensively used in Guar Gum, Food, pharmaceutical industries, our range successfully cater to a wide range of supplementary equipment for meeting desired screening processes.

**Centrifugal Sieve**

**Vibro Screen**

**Rotary Sieve**

## Chemical Processing Equipment:

We are engaged in providing our clients with **Chemical Processing Equipment** that are widely used in chemical and petrochemical industries. All our products are available in various sizes, shapes and models at market leading prices.

**Reaction Vessel**

**Screw Conveyor**

**Tray Dryer**

- Company Factsheet -

<b>Year of Establishment</b>	1995
<b>Nature of Business</b>	<ul style="list-style-type: none"><li>› Supplier</li><li>› Manufacturer</li><li>› Exporter</li></ul>
<b>Total Number of Employees</b>	26 to 50 People
<b>Major Markets</b>	<ul style="list-style-type: none"><li>› East/Middle Africa</li><li>› North Africa</li><li>› South/West Africa</li><li>› East Europe</li><li>› East Asia</li><li>› North Europe</li><li>› Middle East</li><li>› South/West Europe</li><li>› South East Asia</li></ul>
<b>Primary Competitive Advantage</b>	<ul style="list-style-type: none"><li>› Experienced R &amp; D Department</li><li>› Good Financial Position &amp; TQM</li><li>› Large Product Line</li><li>› Large Production Capacity</li><li>› Provide Customized Solutions</li></ul>
